City Council Adopts 2020-2021 Budget

Azle City Council adopted the City's Fiscal Year 2020-2021 budget at the August 24, 2020 council meeting. The City of Azle's Fiscal Year begins October 1 and ends September 30. The goal in preparing this budget was to maintain levels of service and make improvements where possible, giving particular attention to the impact of the coronavirus (COVID-19) pandemic. Overall, operating revenues are projected to rise moderately across all funds. 2020 appraised property values increased \$45,668,526 (4.69%) from 2019 values, of which \$27,878,218 was new construction. As a result, Council approved a combined tax rate of \$0.657204 per \$100 for FY2020-2021. This is the same rate as the FY 2019-20 adopted tax rate; however, it will raise \$350,145 more in property tax revenue due to increased property values and new construction. The City continues to be on a solid financial foundation as we prepare for the coming year.

City Council and Staff work together to plan and prepare for the current and future needs of this growing city by managing growth and development, encouraging economic development, identifying and addressing infrastructure needs, and maintaining a financially sound and stable government.

With that in mind, some accomplishments over the past year include:

- ✓ October 2019, completed construction on the Municipal Complex, which includes separate buildings for City Hall and Police Department. Final construction cost was just over \$12 million.
- ✓ Completed street reclamation of Gordon Dr, Rhoades St, Polly Ave, Toronto Rd, Victoria Ave, Ridgeway Ave, Valley View Ct, Crestview Pl, Blue Meadow Dr, North & South Melanie Dr, and Lee Ct.
- ✓ Five (5) positions were added – Two (2) Police Officers, Assistant Library Director, Controller, and HR Generalist.
- ✓ Completed the new 800 MHz digital radio system and dispatch center for the Police Department.
- ✓ Completed construction on the Main St Waterline Improvement Project as well as the waterline extension on FM 730.
- ✓ Azle was certified as a Texas Film Friendly Community by the Governor's Office.
- ✓ Maintained water and sewer rates, but increased the Sewer Consumption Rate by 2% (\$0.05).

FY 2020-2021 Budget includes:

- ✓ Installation of new playground shade structure at Shady Grove Park
- ✓ Capital projects include the Emergency Process Equipment Generator and On-shore Pump Intake Station Project at the Water Plant
- ✓ Through the Street Maintenance Fund, improvements will be made to Poe St, Shady Ln, Carpenter St, Cresthaven Ct, School St, and Astoria Ave.
- ✓ Major maintenance projects include the continued slip lining of sewer lines adjacent to Glenhaven Dr.
- ✓ Funding for a fire truck; three (3) police pursuit vehicles; a 5-7 cu. yd. dump truck for Utility Maintenance; as well as an excavator (lease purchase), trailer-mounted jetter, planer/milling machine and a ¾-ton truck, all to be shared by the Streets and Stormwater Departments
- ✓ Funding to construct bathrooms at Central Park

Azle has a lot to offer and every effort is being made to promote this community. Staff worked hard to create a budget that provides the services our citizens have come to expect, and will continue to seek improvements where they can be found. Azle Police Department is taking back unwanted prescription drugs during National Take Back Day
October 24 10 am - 2 pm

Azle Police Department and the U.S. Drug Enforcement Administration will provide the public the opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused

and unwanted prescription drugs. **Bring your pills for disposal to the Azle Police Dept at 505 W Main St.** (Sites cannot accept liquids, needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

Can't make it on October 24? A secure medication drop box is located in the Lobby at City Hall, 505 W. Main St, and is available to the public during normal business hours so our citizens can conveniently discard dangerous and abuse prone medications that otherwise may remain stored in the home.

This initiative addresses a vital public safety and public health issue. Last fall, Americans turned in nearly 883,000 lbs of prescription drugs during this event. DEA, along with its law enforcement partners, has collected nearly 6,350 tons of expired, unused, and unwanted prescription medications since the inception of the National Prescription Drug Take Back Initiative in 2010.

TCTS provides door-to-door transportation service within Tarrant County for any purpose including medical, visiting a friend, shopping, going to a movie, etc. Azle offers two "guaranteed" ride days - Monday and Wednesday. This additional day of service is provided by a grant Trinity Metro received.

Riders are always encouraged to schedule important trips such as medical appointments on "guaranteed" days. Rides are provided by Catholic Charities.

The Tarrant County Commissioners Court approved a \$20,000 partnership with transportation services in Tarrant County to pay for customer trips to voting locations. "We are trying to give every eligible voter in Tarrant County the ability to vote in the November 2020 election," said Tarrant County Judge Glen Whitley.
