A UNIVERSE OF STORIES

2019 Teen Summer Reading

What is Teen Summer Reading?

Summer Reading is a chance for teens to earn prizes, just for reading this summer! It's free to participate.

How Teen Summer Reading Works:

- The Teen Summer Reading Club is open to teens ages 13-18.
- Register at our Kickoff Party on June 7th - OR - register at the Information Desk during Library hours after June 7th. You will be given additional instructions and a reading log to track how much you read. (Any reading counts, including novels, ebooks, comic books, magazines, etc.)
- Prizes are awarded once you read 5 and 10 hours. Then you'll earn a raffle ticket for prizes, like gift cards, at 15 hours and every 5 hours after!

This year's theme is: *A Universe of Stories!* It's all about outer space and exploring new things.
